WEBSITE ACCESSIBILITY CERTIFICATION

The California Department of Forestry and Fire Protection (CAL FIRE) is committed to making our website equally accessible for all visitors. The undersigned certify that, as of July 1, 2019, the internet website of CAL FIRE is designed, developed and maintained to comply with applicable accessibility laws including California Government Code sections 7405 and 11135, and the Web Content Accessibility Guidelines (WCAG).

We strive to maintain all content at applicable accessibility levels, but some content - including historical documents, maps, third party documents, streaming video and archived materials – provides value to our website visitors but may not be fully accessible as of July 1, 2019. CAL FIRE continues to work diligently to make that content accessible.
