

I'D RATHER BE WITH MY FRIENDS!

So when I have homework, I don't waste time. I log on to teacher-approved online resources—in the library, or from home day or night.

I know the information is reliable, so my teacher will approve it. And, it's easy to find—fast!

You can use these research databases, too. Just ask the librarian for instructions.

Hey—who has time to sort through the entire Web for help when your friends are waiting?

Not me!
