

# I'D RATHER BE SHOPPING!

**So when I have homework, I don't waste time.**

**I log on to teacher-approved online resources—in the library, or from home 24/7.**

**These research databases are focused, easy to search, and give me information I can count on to make the grade.**

**You can use them, too. Just ask the librarian for instructions.**

**Hey—who has time to sort through the entire Web for help when there's a big sale going on?**

**Not me!**
