what is emote

what is emote

Emote transforms the private office into the creative office, one with a fresh look and the freedom to move and function in multiple ways.

Emote offers a new expressive language applied to wood furniture that surprises and inspires while maintaining the natural, tactile appeal of wood.

With Emote, one can make a statement, inspire creativity or offer a sense of home away from home.

Emote supports the agile worker with the freedom to function in multiple ways.

what is emote

Emote, designed by Mario Ruiz, is a collection of 21 distinct furniture elements that includes desks, cabinets, towers, thought boards and accessories.

emote finishes

Chroma wood and paint finishes are exclusive to Emote. The woods consist of 14 bold and neutral paint colors applied to wood veneer with an open pore grain finish to maintain the tactical and warm experience that natural wood grain texture provides.

emote finishes

A collection of distinct furniture elements, Emote brings a new expressive language to the workspace through a finish palette that surprises and inspires, while maintaining the natural, tactile appeal of wood. Transform the private office into the creative office by playing with neutral, contrasting or bold color combinations to convey a desired personality or culture.

What does your Emote office have to say?

- Emote finishes and furniture options allow for individual and corporate expression

home away from home

show your true colors

freedom of expression

make a statement

emote tables

PRODUCT FEATURES

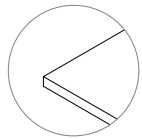

Emote tables are available in 2 options:

1. Wood Top with Solid Wood Legs (EMTF)
 - Optional modesty available
 - Power bar with cable tray included
 - Wire management strip included
2. Wood Top with Height-Adjustable Base
 - Top with optional modesty (EMTW) and Base (EMTB) are sold separately
 - Switches, power bar and wire management options available with base

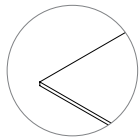

FINISHES

Top and Modesty Finish:	Chroma Wood, Veneer 4, Flintwood
Solid Wood Legs Finish:	Chroma Wood and Veneer 4
Height-Adjustable Base Finish:	Foundation Mica Accent Chroma Metal Paint

Corner Radius: 2.875"

MODESTY OPTIONS

Emote worksurfaces are available with an optional modesty panel. The Modesty Panel can be placed in two locations determined on site.

- Recessed 3.5"
- Recessed 8"

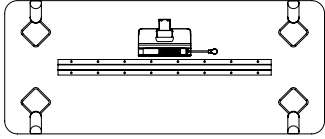

This 8" Recess is not available for:

- Fixed-Height Tables 24" deep
- Height-Adjustable Navigate Table Bases

POWER OPTIONS

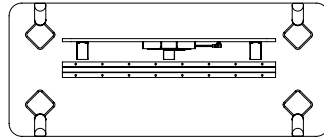

Integrated power bars can be mounted onto either a modesty or under a worksurface on the Emote Table with Wood Legs and include:

- A power bar with 4 outlets
- A cable management tray
- A wire manager

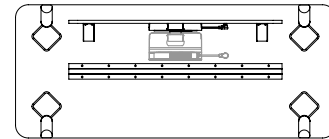

Worksurface mounted

- When no modesty panel is specified

Modesty Panel mounted with 8" recess

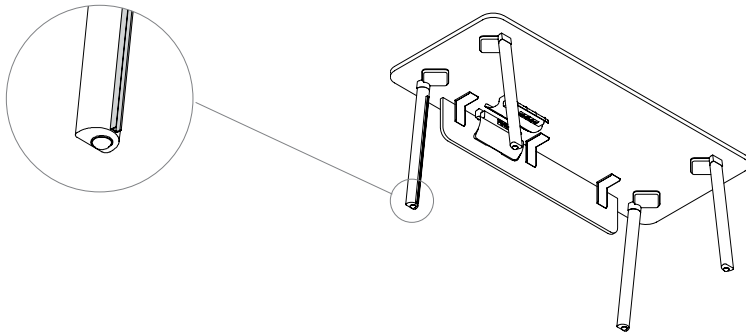

- Wire manager will be mounted to the modesty panel

Modesty Panel mounted with 3.5" recess

- 24" deep worksurface, mounts to the modesty panel
- 30" deep worksurface, mounts either to the modesty panel or the worksurface

The included wire management strip helps to guide wires down one of the table legs.

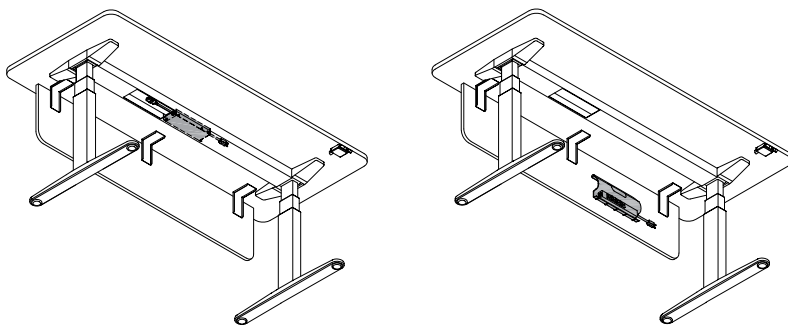

Cross channel integrated power bars are available on Height-Adjustable tables:

- 54" - 72" width

They can be mounted either on a modesty or worksurface.

An E-Chain can also be specified with the Height-Adjustable Base (EMTB) for addition wire management down to the floor.
