

Penny Black PROJECT GUIDE

Designer Name: Heather Telford

Penny Black Products Used: Flower Lanterns 40-547

Additional Products: wild honey, spiced marmalade, rusty hinge & forest moss distress markers; hot pressed watercolor paper; rust cardstock; natural white cardstock

Instructions:

Place a piece of hot pressed watercolor paper in stamp positioning tool.

Ink and stamp lanterns in 'flower lanterns' stamp with wild honey distress marker. This gives a base for adding more color, shading and detail.

Find a reference photo or use the colored image on the stamp as a guide for adding more wild honey, then spiced marmalade and rusty hinge distress marker. Blend color on lanterns with minimal water leaving some sections white.

Ink stems and leaves with forest moss distress marker, stamp then blend with a damp brush. Let dry.

Add more detail to lanterns with bullet tip of forest moss distress marker.

Splatter forest moss distress ink over panel.

Mat panel with co-ordinating rust cardstock and attach to natural white card base.
