**Additional Products:** picked raspberry, candied apple, forest moss distress markers; seedless preserves distress stain; hot pressed watercolor paper; pink cardstock; natural white cardstock; versafine Spanish moss & vintage sepia ink

## Instructions:

Place a piece of hot pressed watercolor paper in stamp positioning tool.

Ink and stamp petals and buds of 'lustrous' with picked raspberry distress marker.

Paint over stamping with damp brush to blend petals into solid color.

Stamp again with partial inking to achieve darker areas on petals

Paint seedless preserves distress stain onto darkest areas of petals and bud.

Ink stem and leaves of roses with forest moss distress marker. Paint over them with damp brush.

Ink rosehips with candied apple distress marker, stamp then blend with damp brush.

Reposition watercolor panel to add another rose with buds but omit the leaves.

Splatter diluted picked raspberry distress ink around roses.

Stamp sentiment from 'Banner Sentiments' on floral panel in versafine Spanish moss then vintage sepia.

Mat panel with co-ordinating pink cardstock and attach to natural white card base.
