Instructions:

Stamp Poetic leaf on hot pressed watercolor paper in memento Morocco ink. Stamp again without reinking and overlap the two images. Stamp one more time with just a spritz of water to activate the ink left on the stamp, once again overlapping the leaves.

Sprinkle dark brown brusho over one leaf then, using the stamped image as an outline, use a waterbrush to blend the brusho into the entire leaf space. Keep the colour dark on the edge where the leaf is behind the adjacent leaf. Dry panel.

Move onto second leaf by sprinkling terracotta brusho over it then add water with a waterbrush to fill the leaf. Dry panel

Repeat previous step on final leaf with sandstone brusho. Dry panel.

Sprinkle a little more of each color of brusho on the co-ordinating leaf and spritz from above to add texture and some soft bleed into the background area.

Apply stick it adhesive to the back of red cardstock. Cut three of the word `Gratitude` from cardstock using die from `Words of Gratitude` set.

Stack die cuts together and attach to leaf panel

Mat panel with brown and red cardstock. Attach to natural white card base.
