History

09/10/2012 06:56 pm - ביבר ירפע -

- Priority changed from Normal to High

- Assignee set to Amir More

Seems to be pagespeed related. view source of any page, and search for http://

09/10/2012 07:29 pm - Amir More

It's a bit due to mod_pagespeed but not entirely
There are hard links that still generate a warning
try loading the page without mod_pagespeed
<https://oknesset.org/?ModPagespeed=off>

09/10/2012 11:23 pm - Amir More

- Status changed from New to Closed

updated mod_pagespeed configuration
