Dear Meer Veterans and their Families,

It is awesome that we have Veterans living here at Meer. Just as important, there are Widows of Veterans living here. The Widows deserve all the credit we can give them for 'Supporting Our Troops' and suffering hardships while spouses were not home as the children were being raised.

We're sorry the Veteran's Day Celebration could not be held this year with your family, friends and neighbors honoring you.

Let us pray for the pandemic to be over by next year at this time – and we will double-celebrate then.

I know I speak for every resident at Meer when I say, "We salute you! We thank you for your service. We wish you a year of good health."

Dear Meet Vet,

Long ago, when you were young, you gave up your own freedom to fight for ours and for future generations of Americans. It was a sacrifice which can never be repaid. Thank God you are here with your families and with us today. Your service and sacrifice are deeply appreciated by your fellow citizens, and by all of us at Meet.

With grateful hearts and awe we honor you, our Meet Vets for your courage and heroism. You are the Holy among us. May you continue to be blessed with good health and long life.

Fortunately I was too young to serve
our country. But I would still like to
thank those that did their service.

I was able to enjoy the good things
~~to enjoy~~ like the movies, playing ball
and going out on dates. My home life
was quite enjoyable once I learned
how to drive.

Thank you fellows

Hi there soldier. You guy ARE doing
A hell of a job keeping us at home
SAFE.

I know you miss your families & I
think that's the worst feeling that
you face.

I had a husband & brother that
served in the ARMY AND I know how
tough it is on you & the families
at home. They both came home safe
so I was lucky too.

WE DON'T DO ENOUGH FOR OUR
SERVICE MEN TO SHOW THEM HOW
GRATEFUL WE ARE. BUT YOU ARE
ALWAYS IN OUR THOUGHTS

STAY SAFE
